

## NEWS RELEASE

### Viopas Venture Consulting forms strategic partnership with Dao Tun, adds expertise in cross-border cooperation with China

**Uster/Zürich, Switzerland, March 22, 2022 – Viopas Venture Consulting (VVC), dedicated advisor to biotech, pharma and digital health companies as well as investors in the healthcare industry with focus on Switzerland, Austria and Germany, and Dao Tun GmbH, a Swiss advisory consulting company specialized in cross-border cooperation between Europe and China, announce their strategic partnership, which leverages VVC's current business model by offering cross-border strategic advice for clients interested in business relations in China.**

"We are looking forward working with Dao Tun and leveraging our client contacts with the excellent entries Dao Tun offers into the Chinese pharma, biotech and diagnostics industry as well as Chinese investors," commented **Thomas Meier, PhD, Managing Partner at Viopas Venture Consulting**.

"I am excited to enter this strategic partnership with the experts of Viopas Venture Consulting, as we see increasing value in cross-border business opportunities for Swiss and European biotech/pharma, diagnostic and service companies with China," added **Tianke Wang, PhD, CEO of Dao Tun**.

#### **About Dao Tun GmbH (Dao Tun)**

Dao Tun is a Swiss advisory consulting company, founded in 2019 and specialized in cross-border cooperation between Europe and China, primarily in the Healthcare and Life Sciences industry. Dao Tun advises and supports with fundraising/investments, in-/out-licensing, joint ventures, or mergers and acquisitions among others.

Dao Tun serves entrepreneurs and business owners in the field of therapies, medicines, medical devices and diagnostics for their business development and geographic expansion. Dao Tun provides their clients with customized strategies and execution plans, matches their clients with the right partners, and enables and promotes trust and successful cooperation between all parties involved.

The Dao Tun team has completed several successful cases, optimized the collaboration process, established a broad network, and gained the trust of clients.
